

THE PHILAEETHES SOCIETY LUNCHEON

Monday, February 22, 2016

Madison Concourse Hotel

University C-D Room

The Philaethes Society presents Most Worshipful R. Stephen Doan, Past Grand Master of California, speaking on “Grand Lodge Relationships with Concordant Bodies—Some Contemporary Observations” at the Monday Luncheon at the Conference of Grand Masters of North America. Bro. Doan is a noted Masonic scholar who recently spoke to the World Conference of Regular Grand Lodges on this topic. He will share some insights that he has gained through the years about the sometimes troubled relationship that grand lodges have with some of our concordant bodies in Freemasonry, and ways in which these relationships can be made a positive force for good. Tickets for the luncheon can be purchased through your Grand Secretary.

Established in 1928, the Philaethes Society is the oldest independent Masonic research society in North America, serving thousands of members around the world.
